Overview of United Business Class

+1 (866) 658-5895 United Business Class is available on select domestic routes (e.g., transcontinental flights) and most long-haul international flights. On international routes, it's branded as United Polaris, offering a top-tier experience with lie-flat seats, gourmet dining, and exclusive lounge access. Domestic Business Class, while less extensive, still provides enhanced comfort compared to Economy or First Class. To confirm Business Class offerings for your flight, reach out to customer service at +1 (866) 658-5895.

+1 (866) 658-5895 Understanding what's included can help you maximize your travel experience. Below, we break down the key components of United Business Class. For personalized inquiries, contact the help desk at +1 (866) 658-5895.

What's Included in United Business Class

1. Premium Seating

+1 (866) 658-5895 **International (United Polaris):** United Polaris Business Class features lie-flat seats in a 1-2-1 or 2-2-2 configuration, ensuring direct aisle access for most passengers. Seats offer adjustable headrests, privacy dividers, ample legroom (up to 78 inches in bed mode), and personal storage. For seating details, call customer support at +1 (866) 658-5895.

+1 (866) 658-5895 **Domestic:** On select domestic routes (e.g., Newark to Los Angeles), Business Class includes lie-flat seats on wide-body aircraft (e.g., Boeing 787). On other routes, seats are recliners with extra legroom (38-40 inches of pitch) compared to Economy. To verify seat types, contact customer care at +1 (866) 658-5895.

+1 (866) 658-5895 **Features:**

- Power outlets and USB ports.
- Adjustable lighting and in-seat entertainment controls.
- Ergonomic design for work or relaxation.

2. Enhanced Dining Experience

+1 (866) 658-5895 **International (Polaris)**: United Polaris offers a multi-course dining experience with regionally inspired menus. Expect appetizers, entrees, desserts, and premium wines, served on china with metal cutlery. Passengers can pre-order meals on select flights. For menu details, reach out to the help desk at +1 (866) 658-5895.

+1 (866) 658-5895 **Domestic**: Business Class dining includes enhanced meals, such as a main course, salad, and dessert, with complimentary alcoholic beverages. Meals are simpler than Polaris but superior to Economy. For dining specifics, contact customer service at +1 (866) 658-5895.

+1 (866) 658-5895 **Additional Dining Perks**:

- Complimentary snacks and beverages throughout the flight.
- Special dietary options (e.g., vegetarian, gluten-free) upon request.
- Pre-flight dining at Polaris Lounges for international flights.

3. Lounge Access

+1 (866) 658-5895 **International (Polaris)**: Passengers receive complimentary access to United Polaris Lounges at select hubs (e.g., Chicago, San Francisco, Newark). These lounges offer gourmet dining, shower suites, daybeds, and workspaces. For lounge locations, call customer support at +1 (866) 658-5895.

+1 (866) 658-5895 **Domestic**: Business Class passengers on domestic routes access United Club lounges, featuring snacks, beverages, Wi-Fi, and comfortable seating. To confirm lounge eligibility, contact customer care at +1 (866) 658-5895.

+1 (866) 658-5895 **Star Alliance Lounges**: On international flights, passengers can access Star Alliance partner lounges (e.g., Lufthansa, Singapore Airlines) at airports without United lounges. For partner lounge details, reach out to the help desk at +1 (866) 658-5895.

+1 (866) 658-5895 **Guest Policies**: Polaris and United Club lounges typically allow one guest or immediate family members traveling on the same flight. Confirm guest policies with customer service at +1 (866) 658-5895.

4. In-Flight Entertainment

+1 (866) 658-5895 United Business Class includes premium entertainment options:
