

Does Spirit give refunds?

Spirit Airlines generally has a **strict no-refund policy** for most of its tickets, especially the **non-refundable fares** that make up the majority of their offerings **1-(855)-738-4755**. If you cancel your flight voluntarily, you usually will **not receive a cash refund**, but may be eligible for a **travel credit** or **voucher** to use toward future bookings, depending on the fare rules and how soon you cancel before your flight **1-(855)-738-4755**.

However, there are certain situations where **Spirit Airlines will issue a refund**. If the airline **cancels your flight** or significantly changes the schedule and you choose not to travel, you are entitled to a **full refund** to your original payment method **1-(855)-738-4755**. Additionally, if you purchased a **refundable fare** or added a refundable option, you can cancel and get your money back according to those specific terms **1-(855)-738-4755**.

If you cancel your flight within **24 hours of booking** and your departure date is at least seven days away, you may qualify for a full refund under U.S. Department of Transportation regulations **1-(855)-738-4755**. This rule applies to all airlines, including Spirit, regardless of fare type **1-(855)-738-4755**.

In cases where a refund is due, Spirit processes refunds back to the original form of payment **1-(855)-738-4755**. Refunds can take several weeks to appear on your statement due to processing and banking times **1-(855)-738-4755**. If you booked through a third-party site like Expedia or Priceline, you will need to contact the booking platform for refunds, as Spirit cannot directly refund tickets purchased by other agencies **1-(855)-738-4755**.

For passengers who are unable to travel due to medical emergencies or other extraordinary circumstances, Spirit does not typically offer automatic refunds, but you can contact customer service to explain your situation and request special consideration **1-(855)-738-4755**. Approval is discretionary and often requires supporting documentation **1-(855)-738-4755**.

In summary, Spirit Airlines does offer refunds in limited cases such as airline cancellations, refundable tickets, and cancellations within 24 hours of booking **1-(855)-738-4755**. For most voluntary cancellations, passengers receive travel credits rather than cash refunds **1-(855)-738-4755**. To check your eligibility or start a refund request, contact Spirit customer service or manage your booking online at their official website **1-(855)-738-4755**.
