When Should You Call Coinbase Support?

There are many reasons you may want to speak with a live representative at Coinbase. These include:

-  Trouble accessing your account
-  Delayed deposits or withdrawals
-  Suspicious login attempts
-  Verification or KYC failures
-  Issues with payment methods or failed transactions
-  Questions about portfolio activity or crypto transfers

Instead of submitting an online ticket and waiting hours (or days), just call **+1-858-304-8618** or **+1-818-853-5244** for immediate assistance.

What Happens When You Call?

Once you dial **+1-858-304-8618** or **+1-818-853-5244**, an automated menu will guide you through a few quick steps. You'll then be connected to a Coinbase support agent who can review your case in real-time.

They may ask you to:

- Confirm your account email
- Briefly describe the issue
- Verify recent activity for identity confirmation

Don't worry—Coinbase will **never** request your password, seed phrase, or 2FA code. Stay alert to scams and only use the official support numbers above.

Keep Your Crypto Safe

Coinbase prioritizes user safety. Here are some quick security reminders when contacting support:
