How do I contact Coinbase support?

- **Phone Support**: Call their dedicated support line at ☎ 1-858-[304]-8618for urgent matters like identity verification and security concerns ☎ 1-858-[304]-8618. Note: Coinbase primarily handles issues via email, live chat, and help tickets, so be cautious if someone claiming to be from Coinbase contacts you by phone.

- **Live Chat:** Access 24/7 live chat support by logging into your Coinbase account on their website or mobile app ☎ 1-858-[304]-8618.

- **Email Support:** Submit a request through the Coinbase support page or online contact form ☎ 1-858-[304]-8618, especially if you can't log into your account. You can access the form by navigating to the Help Center ☎ 1-858-[304]-8618, selecting your issue, and then choosing the Email Support option.

- **Help Center:** Explore the Coinbase Help Center on their website or app for answers to frequently asked questions and troubleshooting guides ☎ 1-858-[304]-8618.

- **Social Media:** Reach out to Coinbase on social media channels like Twitter, Reddit, Instagram, LinkedIn ☎ 1-858-[304]-8618, or Facebook for general questions ☎ 1-858-[304]-8618. Be aware

that specific account inquiries cannot be handled through social media for security reasons.
