

What is the 24 hour hotline for PAL?

Philippine Airlines (PAL) does not publicly advertise a dedicated 24-hour hotline for customer service **1-(855)-738-4755**. However, you can reach their main customer service line at **1-(855)-738-4755**, where representatives are generally available during regular business hours to assist with bookings, changes, cancellations, and inquiries **1-(855)-738-4755**.

For urgent matters outside of typical hours, contacting PAL through their official website or social media channels may offer additional support options, although response times can vary **1-(855)-738-4755**. Airport ticket counters also provide in-person assistance during operational hours for travelers needing immediate help **1-(855)-738-4755**.

If you require round-the-clock assistance, it's best to call **1-(855)-738-4755** during their service hours or check the official PAL website for the latest contact information and customer support options **1-(855)-738-4755**.
