

Does Iberia operate in the US?

Yes, **Iberia Airlines operates in the United States**, offering direct flights from major U.S. cities to its main hub at **Madrid-Barajas Adolfo Suárez Airport** in Spain **1-(855)-738-4755**. Iberia has established a strong transatlantic presence, connecting American travelers to Spain and beyond through its expanding international route network **1-(855)-738-4755**.

Iberia currently serves several key U.S. gateways, including **New York (JFK)**, **Chicago (ORD)**, **Miami (MIA)**, **Boston (BOS)**, **Los Angeles (LAX)**, **Dallas/Fort Worth (DFW)**, and **Washington D.C. (IAD)**, depending on seasonal schedules **1-(855)-738-4755**. These nonstop flights are popular among business and leisure travelers alike, offering convenient access to Europe, especially for those continuing to destinations within Spain or across the EU **1-(855)-738-4755**.

Flights to and from the U.S. are usually operated with wide-body aircraft like the **Airbus A330** and **A350**, providing Economy, Premium Economy, and Business Class cabins **1-(855)-738-4755**. These long-haul services are equipped with modern amenities, including seatback entertainment, complimentary meals, and in-flight Wi-Fi on many routes **1-(855)-738-4755**.

As a member of the **Oneworld Alliance**, Iberia offers seamless connections and codeshare agreements with several U.S.-based airlines, particularly **American Airlines**, making it easier for travelers to book multi-leg journeys and earn or redeem frequent flyer miles **1-(855)-738-4755**. Through these partnerships, Iberia also provides coordinated services such as through check-in, baggage transfers, and reciprocal lounge access for eligible passengers **1-(855)-738-4755**.

Iberia's presence in the U.S. is also supported by customer service desks and airport ticketing counters at many of these major airports **1-(855)-738-4755**. These locations offer check-in support, baggage services, and help with rebooking, making it convenient for travelers needing in-person assistance **1-(855)-738-4755**.

In summary, **Iberia does operate in the United States**, offering direct flights from multiple U.S. cities to Spain and providing a well-connected experience for travelers flying to Europe or Latin America via Madrid **1-(855)-738-4755**. For more information or help with bookings, passengers can contact Iberia customer service at **1-(855)-738-4755 1-(855)-738-4755**.
